

Job description

BROKERED FOOT CARE NURSES NEEDED

Senior Support Services - CPHC is a registered charitable organization dedicated to improving the lives of seniors and their families by providing community support services.

CPHC invites applications for brokered foot care nurses (RPN) in the Brockville and Portland areas. Foot care nurses are brokered by CPHC, and are not employees of CPHC.

The successful foot care nurse (RPN) will provide foot care service to clients at our CPHC's clinics. These clinics are currently running at full capacity during office hours. Nurses are needed for Brockville. Successful candidates will have access to our onsite autoclave and reprocessing space. (*bonus – may use autoclave for their personal, non-CPHC clients)

Responsibilities

- Monitor and deliver foot care to clients in a clinic setting as per the nursing care plan and in accordance with all required internal and external professional practice standards;
- Provide high quality services to clients;
- Follow reprocessing guidelines and proper procedures; keeps knowledge of current best practices
- Understand and implement infection prevention practices while specifically adhering to CPHC standards, policies and procedures;
- Ensure proper set up and cleanliness.

Qualifications

- Graduation from an accredited Registered Practical Nursing Program;
- Current registration with the CNO, in good standing
- Advanced Footcare Certification is required.
- Previous experience with Geriatric and Diabetic populations considered an asset;
- Experience working with the elderly and with cognitively impaired individuals;
- Strong communication and interpersonal skills;
- Positive interpersonal skills;
- Ability to work independently and as part of a team;
- Satisfactory Criminal Record Check and Vulnerable Sector Screening;
- Ability to travel and have a reliable vehicle.

Must have access to a Public Health Ontario approved autoclave and reprocessing space of their own (if not using ours)

How to Apply

Please submit your cover letter and resume in confidence to the attention of:

Kirtus Selleck, Human Resources Generalist - kselleck@cphcare.ca
