

Biography:

Lisa Temple, Director

The Senior Support Services-CPHC Board of Directors were pleased to welcome Lisa as an appointed member in October 2019 prior to her election in June 2020. Lisa brings a wealth of experience, knowledge, and enthusiasm to the Board and the organization.

Lisa has a background in Community Relations as the Director for The Mayfield Retirement Residence in Prescott since 2014, with extensive experience in fundraising, event planning, volunteer work, and caregiving for seniors. Through her work with the Mayfield, Lisa has developed strong relations with the residents and their families and has a clear understanding and appreciation for the challenges they face, and the evolving needs throughout their journey. She has a true passion for her work and advocating for seniors.

Lisa values the importance of volunteer work as demonstrated through her involvement with the Chamber of Commerce as a Director and her experience as a member of the Marketing and Event Planning Committee. She also serves on the Grenville Community Futures Development Board as Secretary-Treasurer, and volunteers at a local Church for social events, etc. Lisa's fundraising experience includes her involvement in planning and preparing for annual golf tournaments in support of 'Jumpstart', that have been very successful.

Lisa successfully completed the Social Service Worker program with St. Lawrence College in 2013 after 21 years of employment with DuPont in Maitland. She also has a diploma in Business Marketing. Her skills and experience are a welcomed and complementary addition to Senior Support Services-CPHC Board.

Lisa resides with her husband in Johnstown where they own and operate the Bridgewater's Inn since 2012 and enjoy their three (3) children and two (2) grandsons.
