Getting Philips Lifeline through your local provider **CPHC Lifeline:**

For more information about CPHC Lifeline products and services please call our office at:

Brockville – 613-342-9991

Kingston – 613-542-9643

Long Distance – 1-877-565-0008

1. Claim based on number of subscribers.

2. AutoAlert does not detect 100% of falls. If able, you should always push your button for help.

3. ***On the Go*** coverage inside and outside the home is provided where third party cellular network coverage is available. Recharging of the ***On the Go*** pendant is done by the subscriber as needed, when connected to the charger.
