

Biography:

Susan (Sue) Ash-Lindsay, Director

Sue joined the Senior Support Services (CPHC) Board of Directors in 2018. As she commences her 2nd term on the Board, Sue assumes the role of Vice-Chair following election at the 2023 Annual General Meeting on June 22, 2023.

Sue demonstrates a keen interest in improving the health and well-being of seniors to keep them living in their homes and communities. As a member of the LEAN (Lived Experience Advisory Network) Committee with the Lanark, Leeds & Grenville Ontario Health Team, Sue brings years of knowledge, experience and advocacy as a caregiver, contributing to the goals and priorities of the Committee.

With approximately 10 years of recent experience as Power of Attorney, caregiver and advocate for three senior citizens suffering from chronic and emergent health issues, Sue understands the importance and value for individuals to have the resources and support that enable them to continue living at home, in their communities, with some measure of independence.

Sue was a partner in a venture for children that continues to seek and promote imagination and creativity. She established and operated a charitable organization for several years prior to handing over the leadership role.

After 40 years of working steadily in both the private sector and large corporations Susan made the decision to retire.

Sue diversity of skills and experience in corporate communications, law, benefits administration, hospitality management, and general office administration have been invaluable to the Board of Directors and the Finance-Audit-Risk Management Committee of the Board, which Sue is also a member of.

Susan and her family have vacationed and lived in the Westport area for many years.
